(a) No Commission Member or employee has the authority to originally classify information.

(b) If a Commission Member or employee develops information that appears to require classification, or receives any foreign government information as defined in section 6.1(s) of Executive Order 13526, the Member or employee shall immediately notify the Senior Agency Official and appropriately protect the information.

(1) Derivative classification includes the classification of information based on classification guidance.

(2) The duplication or reproduction of existing classified information is not derivative classification.

(b) Members or employees applying derivative classification markings shall:

§ 503.56 General declassification and downgrading policy.

(a) The Commission exercises declassification and downgrading authority in accordance with section 3.1 of Executive Order 13526, only over that information originally classified by the Commission under previous Executive Orders. Declassification and downgrading authority may be exercised by the Commission Chairman and the Senior Agency Official, and such others as the Chairman may designate. Commission personnel may not declassify information originally classified by other agencies.

(b) The Commission does not now have original classification authority nor does it have in its possession any documents that it originally classified when it had such authority. The Commission has authorized the Archivist of the United States to automatically declassify information originally classified by the Commission and under its exclusive and final declassification jurisdiction at the end of 20 years from the date of original classification.

(2) The information requested is not the subject of pending litigation.

(3) The information requested has not been reviewed for declassification in the previous two years. If so, the FMC shall inform the requester of this fact and provide the requester with appeal rights in accordance with 32 CFR 2001.33(a)(2)(iii).

(e) Requests for mandatory declassification reviews shall be acknowledged by the Commission within 15 days of the date of receipt of such requests.
